- The length of the term of directors will be changed from 2 years to 4 years.
- The bylaws will be revised to more clearly distinguish between the legal expectations of members versus directors.
• The preparation of a separate code of ethics applying specifically to members.

• The Operations Manual will be amended to remove language referring to conflicts of interest and in its place refer to inappropriate or unacceptable behavior, thereby removing uncertainty potentially arising from the different categories of language.

**Action Item #2:** ITAC management to draft resolution to clarify representation of non voting members to be nominated to the board of directors with the caveat they represent Indigenous tourism operators.
