Overview

Thank you for your interest in the **Indigenous Tourism Association of Canada (ITAC)**. ITAC is the national industry association representing, supporting and growing authentic Indigenous tourism across Canada through development, marketing, leadership and partnerships. As an industry association, ITAC showcases Market-Ready First Nations, Inuit and Métis tourism businesses from across Canada to visitors from around the world and presents a unified Indigenous tourism industry voice to visitors, organizations, government departments and industry leaders to support the growth of Indigenous tourism in Canada.

ITAC is a membership-based organization and any person or organization with an interest in advancing Indigenous tourism in Canada may apply to become an ITAC member. Membership costs $99 + GST per year, and is based on two main categories of voting or non-voting.

Voting members in ITAC are market-ready Indigenous majority-owned and/or controlled tourism businesses in Canada. If you are interested in seeing if your tourism business qualifies for voting status, we welcome you to review the attached market-ready checklists. Non-voting members include all other industry friends, partners, and organizations, as well as Indigenous tourism businesses who are working towards market-ready status.

Please contact our membership team at Membership@IndigenousTourism.ca or 1-604-639-4408 with any questions. We look forward to welcoming you to join us as we grow the future of Indigenous tourism in Canada together.
