Accreditation Program

The Indigenous Tourism Association of Canada’s (ITAC) Accreditation Program has set **national standards** for Indigenous tourism that allow businesses to evaluate their market readiness and apply for accreditation.

Learn more about ITAC’s Accreditation Program

Accredited businesses that are visitor ready or export ready, and are ITAC members, are entitled to use The Original Original mark of excellence.

This mark gives consumers confidence that they are choosing a quality experience that is providing direct benefits to Indigenous businesses or communities.
HOW TO APPLY

Becoming an ITAC member is easy. Simply go to JoinITAC.ca, select your region, and then click the Apply Now button to start the online application. ITAC membership staff will review your application and, once approved, they will ensure that you start receiving your membership benefits.

Please note that, for those located in Alberta, British Columbia, New Brunswick, Nunavut, Québec, and Manitoba, ITAC has agreements in place with your regional Indigenous tourism association. This means that your membership with your provincial or territorial association will include your ITAC membership—you will not need to apply through ITAC’s process.

For more information, visit JoinITAC.ca and select your region from the list.
If you have any questions on membership or need assistance with your membership application, contact ITAC’s membership team at Membership@IndigenousTourism.ca or 1-888-803-4822.
