ROUND 3

# INDIGENOUS TOURISM FUND MICRO AND SMALL BUSINESS STREAM

The \$10 million Micro and Small Business Stream (MSBS) is part of the \$20 million Indigenous Tourism Fund announced in Budget 2022 to help the Indigenous tourism industry recover from the pandemic and position itself for long-term, sustainable growth. The MSBS will be rolled out in partnership with Indigenous Tourism Association of Canada (ITAC) and provincial and territorial Indigenous tourism organizations.

The third funding round is being released to 41 Indigenous tourism businesses from across Canada who applied for grants of up to \$25,000 from a \$10 million investment from the Government of Canada through its Indigenous Tourism Fund Micro and Small Business Stream.
